

# GRACE Sacks

GRACE Sacks are kits full of basic essentials to help people who are transitioning home to have items that they may be in desperate need of but don't have the ability to supply for themselves. Each kit includes things like soap, a towel, washcloth, laundry detergent, toothpaste, toothbrush, shaving cream, and so forth! Made possible by local donations these Sacks go a long way toward helping each recipient to have a fresh start. These items are certainly important but unfortunately each person does not have access to these items. Making these Sacks available is another way that All About GRACE, Inc., is helping to bridge the gaps.
